Marine veteran Glenn Dennis of Sharon accepted holiday gifts on behalf of area military veterans, from children at the Sharon Day Care Center.

Children remember veterans with holiday gifts

SHARON — Children at the Sharon Day Care Center after-school program made and stuffed stockings for veterans for the holidays. Marine veteran Glenn Dennis accepted the gifts, which he delivered to the Sullivan Center in Winsted.

The children listened intently

as Dennis told them about the courageous men that he served with and explained that the true meaning of Christmas is giving back to others. He gave each child an American flag pin to thank them for remembering the brave soldiers during the holiday season.

Instructors Faith Fails and Liz Cash said it was a wonderful experience and they hope to make it an annual event.
