
TODDLER NEWS

September News

A big welcome to Keelyn, our newest addition to the toddler program. This past month we have focused on learning all about ourselves and our friends. The toddlers have enjoyed singing "Head, Shoulders, Knees & Toes," finding their friends' pictures in the sensory table, making fingerprints with stamp pads, painting over their names, and much more! We have been splitting the group up in the mornings for outdoor play and group activities to ensure more 1 on 1 attention and to utilize space as much as possible! So far this has been working out great :) It has been our goal to get outside as much as possible before the days begin to shorten and the winter fast approaches. Happy birthday to Jordan who turns 2 on September 28th.

Reminders

Please remember to sign your child in and out each day and fill out the top part of their daily forms. You may want to check their mail folders each morning as

well as that is where your bill is put each week. It is also important that your child's food is toddler-safe and cut up into half inch pieces to prevent choking. With the increasing enrollment, it is hard for us to find the time to cut up food into safe bites. Each child's lunch box is required by the state to include an ice pack as we do not refrigerate lunches or heat them up. It is also a state requirement for all child's belongings, especially water bottles to be labeled. Thank you!

October

Coming in October we will focus on an Autumn theme learning about the fall, apples, pumpkins, and all that fun stuff! On top of the cubby shelf you will find our current Highlights Hello book that we read each day at circle. We have a classroom copy and a parent copy for you to borrow and read at home with your child.

In other news, Miss Carly is expecting a baby April 2nd :)

Happy Fall!
